(Limited to 20 dogs and handlers) **Cost will be £25.00 per 4 runs**

We are offering the opportunity to train your dog in a show environment. The venue will be set up to look like a regular licensed Kennel Club show. Each participant will have four opportunities during the day to work their dog in the ring for a maximum of four minutes each time. You will be able to utilise this time in whatever way you wish. **Toys and food** are allowed in the ring all day. (Please try not to use food that breaks up all over the floor) Upon arrival you will receive your running order and feedback sheets for completion. Your rounds will be watched by an experienced HTM judge who will provide written feedback on your routine which will be accessible immediately after leaving the ring, and can be taken away at the end of the day. Or if you prefer you can ask the judge to video you on your own equipment. If you do not wish to receive feedback, please mark your feedback sheet with "No feedback required thank you".

### Participating:

1. Dogs do not have to be registered with the Kennel Club to participate, however they must be over **ten months** on the day of the show. ### On the day:

Please complete the entry form accurately; however we will try to be flexible on the day. (NB. The order that you fill in the entry form will be the order that your dogs will work)
2. We also require you to fill in the **title and performer** of the **music** that you wish to use for each round.
3. There will be a running order available on the day and this will be followed. Running Orders will be available at the booking in table on arrival. **Please arrive for running order one as it may be you** and this will ensure that everyone has an audience.

4. Due to handlers using the same music several times throughout the day, please book in your music for your *first* 2 runs and collect your music from the DJ upon exiting from the ring, *then* if using same music again, place it in the correct envelope on the booking in table ready for your next run.

**CD's only please, marked with correct track**

5. When you are not working your dog, we would appreciate it if you would remain in the venue as an audience for the other participants to simulate a real show atmosphere.
